

LADIES, THIS IS YOUR WELLNESS CHECKLIST.

Use it to stay up to date and in the know about your health.

The top six things you can do to live a healthier life:

- Get recommended screening tests.
- Be tobacco-free.
- Be physically active.
- Eat a healthy diet.
- Maintain a healthy weight.
- Take preventive medicines if your doctor prescribes them.

The next time you go in for a check-up, bring this handy checklist along. Decide with your doctor which tests are right for you based on your age, gender and family history. Record the details here, like current and future test dates, results and any questions you need answered.

It's all about keeping you healthy so you can get more out of life. For more information, check out the Preventive Care Reference Guide on myCigna.com.

Test/screening	Test date	Recommendations/average range	My results	Next test date	Notes/questions
Periodic physical, may include:
